Introduction

A new heading

Introduction

motivation

- Why are we interested in the wealth of nations?
- seems a bit boring to me

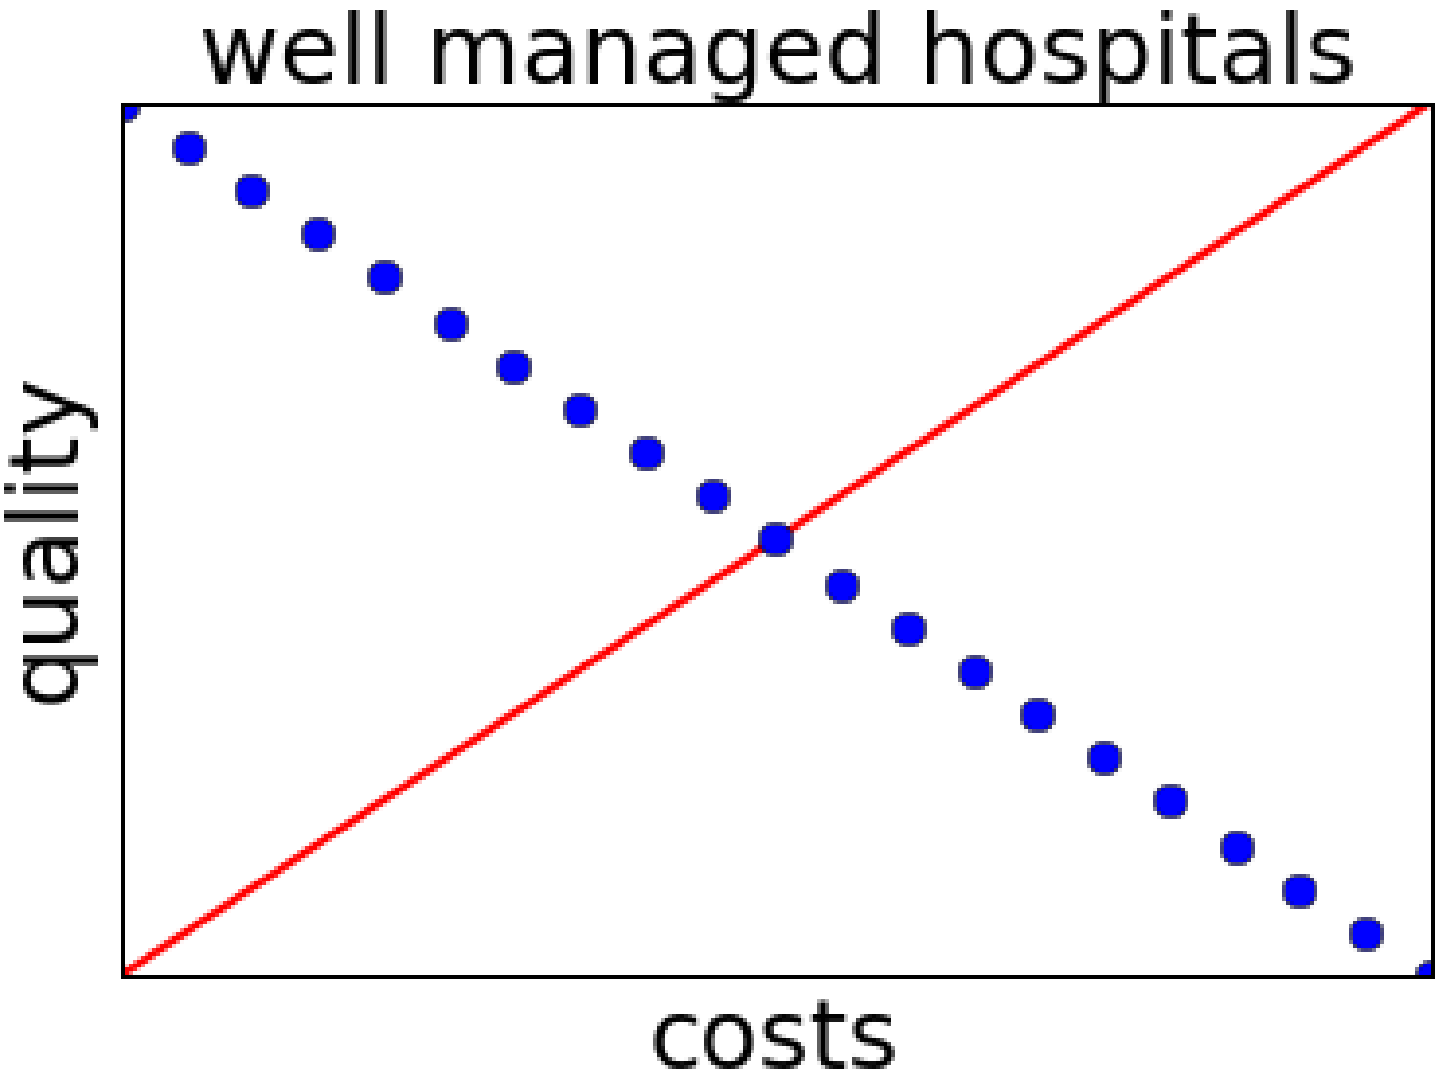
- Ah, we have a new slide here
- we can type latex $x_1^2 + x_2^2 = x_3^2$
- or do an equation environment:

$$\sum_{i=1}^{n} x_i^2$$

A new heading

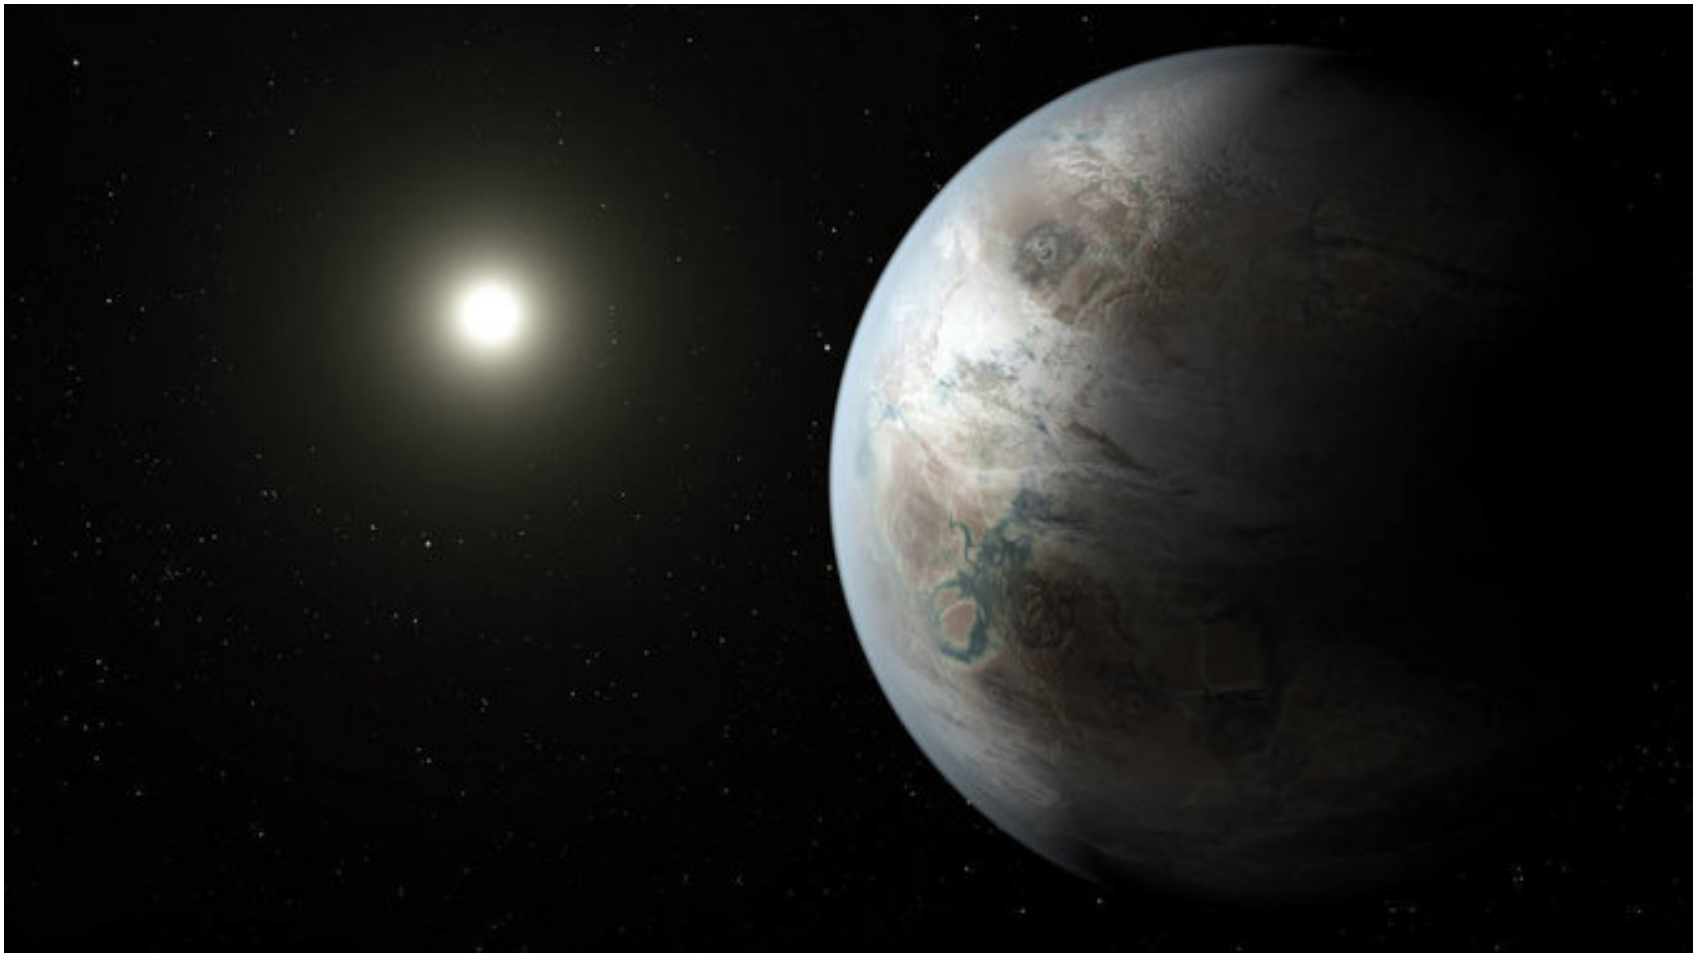
slide title

- and we have another slide
- and nested bullets
- the next slide contains a figure



well managed hospitals
quality
costs

- we can also do a figure from the web



Conclusion

- markdown is a lot of fun
- use a terminal (like the command prompt in Windows) and navigate (using "cd" –for "change directory") to the directory with this presentation
- to get the html, type the following on one line:

```
pandoc -s --mathjax --slide-level 2 --toc --toc-depth=1 -t
presentation.md -V theme=solarized -o presentation.html
```

- if you want a beamer/latex pdf, type:

```
pandoc --slide-level 2 --toc --toc-depth=1 -t beamer
presentation.md -V theme:Montpellier -o presentation.pdf
```
